RESEARCH INTERESTS

Data Science & Machine Learning — LLM and Prompt Engineering — Reasoning Models and Agentic AI — Detection Models & Transformers

WORK EXPERIENCE

Archives and Digitization Manager – *Otibeguni* November 2024 – Present

- Digitized and extracted text from rare documents using **pytesseract**, **OpenCV**, and **Pillow**; cleaned and structured the data with **pandas**, **re**, and **spaCy**; Refined extracted text using the **ChatGPT API** and **Python NLP tools** for improved research usability.
- Applied basic preprocessing techniques to improve **OCR** accuracy and minimized manual correction effort by **30%**
- Organized cleaned data using **Airtable** to create a searchable digital archive, improving accessibility for researchers and collaborators.

Project Coordinator Intern – *Advanced Intelligent Multidisciplinary Systems Lab* October 2024 – Present
Project Coordinator Intern at Institute of Research, Innovation, Incubation and Commercialization (IRIIC), AIMS Lab, UIU

- Assisting the team in the development of an **AI-based Prescription Audit System** to automate error detection in medical prescriptions using ML algorithms, enhancing patient safety and clinical efficiency.
- Supported lab operations through project paperwork, documentation, and contributions to ongoing research initiatives.

Undergraduate Teaching Assistant (UGA) – *United International University* July 2024, October 2024 – Present

Courses:

Programming for Data Science Laboratory (DS-1502)

Object Oriented Programming for Data Science Laboratory (DS-1116)

- Assisting faculty in preparing problem sets.
- Resolving student doubts and academic queries.
- Conducted extra problem-solving sessions and provided 1-on-1 support, helping students clarify core programming concepts.

Data Science and Python Instructor, UIU Data Science Club

February 2025 – Present

PROJECTS

- **Tribal Threads**
App for Indigenous Craft Promotion
- **NeuroChain**
Developed NeuroChain, an AI-powered full-stack platform for autism assessment, gamified therapy, and specialist collaboration; 1st Runner-up at HULT Prize National Bangladesh 2026 and HULT Prize UIU 2026, National Finalist at Solvio AI Hackathon 2025, and 6th Runner-up in the DBMS Project Show.
- **MediaMorphBD**
Data Wrangling Course Project, United International University, March 2025 – Present

SKILLS

- **Programming Languages:** Python, R, SQL, HTML, CSS
- **Technologies, Frameworks & Tools:** Scikit-Learn, PyTorch, Tesseract, Tkinter, CustomTkinter, Pygame, Streamlit, Git, GitHub, MySQL, PostgreSQL
- **Data Analysis & Visualization:** NumPy, Pandas, Matplotlib, Seaborn, Power BI
- **Microsoft Office Suite:** Word, Excel, PowerPoint
- **Artificial Intelligence & Language Processing:** LLM, ML, NLP, Agentic AI and Reasoning Algorithms.
- **Soft Skills:** Strong leadership, effective communication and public speaking, analytical thinking and problem-solving, time management, and creativity.

EXTRA CURRICULUM

- Founding Joint Secretary – UIU Data Science Club** February 2025 – Present
- Contributing in decision-making, assisting in planning events and maintaining records of meetings and activities.
 - Conducting Academic Sessions.
- Vice President (Debate and Workshop) – Debating Club Of Rouf College** 2022 – 2023
- Managing debate instructors, directing and evaluating new debaters.
 - Arranging events, workshops, practice debates for the members.

AWARDS

- **UIU Academic Excellence – 100% Scholarship:** 2023 – Present
Received academic excellence scholarship from UIU for 7 **consecutive** trimesters and, currently in my 8th trimester.
- **HULT Prize National Bangladesh Finalist –NeuroChain (1st Runners Up)** 2026
- **HULT Prize UIU 2026: 1st Runners up – NeuroChain** 2026
- **SOLVIO AI Hackathon 2025 – National Finalist –NeuroChain (Out of 650+ Teams)** 2025
- **UIU CSE Project Show Spring 2024 – 3rd Runners Up (OOP for Data Science Lab)** 2024
- **UIU CSE Project Show Spring 2024 – 6th Runners Up (Database Management System Lab)** 2025
- **Code of Clash Programming Contest (Junior) – Top Solver (Female)** 2024

EDUCATION

- United International University** 2023 – Present
B.Sc in Data Science (Current CGPA: **3.95/4.00**)
- Birshrestha Munshi Abdur Rouf Public College, Dhaka** 2022
Higher Secondary School Certificate (HSC), Science, GPA-5.00
- YWCA Junior Girls' High School, Dhaka** 2020
Secondary School Certificate (SSC), Science, GPA-5.00
